For

Eastern Star

Eastern Star is a wonderful organization to share,
For about our fellow man we surely care,
With fellowship and fun to spare
We strive to be an organization with style and flair.

Do you remember why you joined Eastern Star?

Are their benefits you reaped that no other organization could provide?

Have you invited anyone to join Eastern Star in the last year?

Our organization is based on Charity, Truth and Loving Kindness as you all know. We need to continue to live this concept in our Chapters and in our lives.

Work on harmony and teamwork in your Chapters. Planning a membership event is a good way to get all of your members involved and to work together.

To continue to do the good works of our Order throughout our communities and our State we need to be “loud and proud” and promote membership in our order by holding events in our community, publicizing those events and continue to spread the news of our good works.

We still have time to initiate more members during the Sharing God’s Love year.

Thanks for your continued efforts on behalf of membership.

NOTE: Look for the article on membership in the next Starburst issue.
