

Membership Magic!

Your Magic of the Stars Membership Committee is excited to see Chapters working hard to recruit new members! The Grand Family is making every effort to be at all initiations to welcome our new members.

We hope all chapters are reviewing the new member handbook so they are aware of what the new members will be expecting from the Chapter, both at the initiation and at meetings after the initiation.

If you need any help with any ideas or planning for a membership event, or with advice for mentoring your new members, or if you have any comments or suggestions for us, please contact us.
