

ORCHESTRATE
OUR FUTURE

PROMOTE
Eastern Star

The Membership Plan for the “Stars in Harmony” Grand Chapter year is “Orchestrate our Future”.

The goal of the membership committee will be to “support your goals”.

We are going to call on the Area Clubs to work with us in promoting membership.

The committee is available to help with a membership event, assist in writing a newspaper article, make suggestions for fundraising events and any other help or resources you might need.

In 2008 all Chapters were requested to complete a “Vision Statement” for their Chapter. Are you still trying to meet your vision statement goals? It is time to re-visit your Vision Statement, update it and work on a plan for the future of your Chapter.

Make sure you have a membership committee in your Chapter.

Buttons are available from the Grand Officers, wear them proudly and be ready with an answer and a petition when asked the meaning of Eastern Star.
