

Sisters and Brothers, wouldn't it be great if we could wave our magic wand and members would flock to our chapters?

Since the magic wand will not work to bring in the new members, we need to be creative in other ways to get the news out about what a great organization we are! Hold a membership event or an informational meeting for the community, have a booth at the local farmer's market or your county fair, have a float in your summer parade.

We all know the magic and good feelings we have being members of our wonderful Eastern Star. We need to share those feelings with our friends and neighbors.

The Membership committee has promotional banners that can be borrowed to use for your event or they can be purchased. Contact any of the committee to arrange to borrow one.

Remember, WE are good people,
Doing good things
For good reasons!

Rosie Fiscus Membership Chair
