Dear Sisters and Brothers:

Our Faith to Believe year is almost complete. The year has whizzed by and we thank you for all the love and support you have shown your "Faith to Believe" Grand Family and to each other.

Recipients of this year's awards will be the American Diabetes Association Research Foundation, the Masonic Medical Research Laboratory (Attica, NY), Three Pillars (Dousman, WI), the Wounded Warrior Project, the Fisher House, the Dyslexia Center (Madison, WI), the Carbone Cancer Research (Madison, WI), ESTARL and several academic scholarships.

Please make every effort to attend the 124th Session of your Wisconsin Grand Chapter in Stevens Point, WI, May 18th – 21st, 2015. This year the Most Worthy Grand Matron and Most Worthy Grand Patron are expected to visit our session. Wouldn't it be wonderful if you could meet them in person?

Complete details about Grand Chapter are available from your Chapter Secretary and on the OES web page www.wioes.org.

Grand Chapter is our only annual communication and it gives you the opportunity to vote in the leaders of our organization, to express your view points and to vote on any resolutions and amendments. Remember, **EVERY** member has a vote at Grand Chapter. We look forward to seeing you there.

Your "Faith to Believe" in serving others is evident. We pray that as members of the Wisconsin Grand Chapter you will continue to be leaders in our activity of spreading faith, hope and love in our communities. Maintaining traditions and enjoying fellowship is what sets our organization apart from others.

We would be remiss in our duties if we did not thank each of you for your participation in the myriad of events throughout the state. Your support was beyond our wildest expectations and we thank you for that. Your generosity is greatly appreciated in making our "Faith to Believe" year more than we could have ever expected.

We wanted you to feel that this was your year to shine, and we believe that goal was realized.

Continue to remember in your thoughts and prayers your sisters and brothers in poor health, those who have gone to their final resting place, those who serve to protect us every day, our armed forces who fight for our freedom throughout the world, for all of our veterans and may God Bless you too.
