

HELP FILL THE PEACOCK'S TAIL

We have a peacock that has no tail feathers! Your Chapter can help make his tail full and beautiful. Every time you initiate, our buddy will gain a tail feather.

Please send the names and addresses of your new members to Sister Laurie Twardy. The new member will receive a congratulations letter from the Worthy Grand Matron and Worthy Grand Patron. Their names will be included in the next issue of the Star Burst and they will receive a copy of that issue.
