July 1, 2022

Congratulations to all the chapters on having your installations, and to the Worthy Matrons and Worthy Patrons that stepped forward to take charge of your Chapters. Also, to the first time Worthy Matrons and Worthy Patrons, thank you for taking a chance on this, and the Chapters for letting you do that. WGP Doug and I look forward to working with you.

We look forward to seeing you at the all member learning schools that our Grand Conductresses are hosting. We are stressing the Chaplain march to and from the altar, and how the Associate Patron holds the flag in his march as well.

We still have spots on the bus for our Washington DC tour in August. Please call Sister Marianne Totsch for details and to sign up to join in the fun. The flyer is included in this newsletter.

Remember you can sing again at the Chapter meetings, we would like the officers to march in, and please start proving the Chapter now until through your official visit meeting.

We will start selling our Pathways of Joy walkway "bricks" at the WGM/WGP party, and then the

Grand Officers will have them and pins for sale on their travels afterwards. The pins are all \$5 each and the brick is \$1 each. You would write a joy you have on it, sign it and give it back to the Grand Officer. We will be collecting the bricks all term and have our arrangements committee create the Pathways of Joy at Grand Chapter in Stevens Point next May!

We hope you can find a joy today!

## *General Grand Chapter Benevolence Committee*

Because we believe... because we care... because we love, the Benevolence committee is "steppin" up to be kind. Why??? Because kindness matters! Sister Glenda and Brother Lon chose very carefully for this committee, and it is a pleasure for me to introduce them:

*Jennifer Mulkey, PGM, Alabama.....co-chairman*

*Robert Bradfield, PGP, Arizona*

*Margaret Nathurst, PGM, Florida*

*Rose Davis, PGM, Kentucky*

*Barry Metzger, PGP, Ohio*

*Richard Ashby, PGP, Alberta, Canada*

I want to thank them for being so proficient for this committee. We are working so well together, never knowing each other prior to our meeting. To me, they are "angels in disguise"!

Sister Glenda and Brother Lon, we tried earnestly to figure a way to spread cheer and kindness to our own sisters and brothers. We designed a plan, approved by you, which we believe... you all will be grateful that no one will have to "sell" anything... to those of us... who do not need anything!

The benevolence committee of the General Grand Chapter requests each and every chapter to take at least one collection in the month of April each year throughout the triennium of 2021-2024 -designated for the disaster relief fund of the General Grand Chapter for assistance to our members. The funds collected should be mailed directly to the Right Worthy Grand Secretary. We chose the month of April because that seemed to be the month that no chapter went dark. It is also the month that hurricanes, tornadoes, flooding, dust storms, etc. occur... You get the picture, right? Our earnest prayer is that this will be a huge success while our chapters also continue the excellent benevolence structure they already have in place.

This committee chooses to spread kindness because kindness matters! Feed the hungry, take food to someone just home from the hospital... or the loss of a loved one, and acknowledge the protection of our police and first responders... Our doctors and nurses or help those who are disabled. Be kind!!!

*Now...may Jesus go in front of you to show the way.*

*May Jesus go behind you to keep you from falling...*

*May Jesus go beside you to befriend you...*

*and ...may Jesus go above you to watch over you.*

Dear Grand Chapter O.E.S. of Wisconsin,

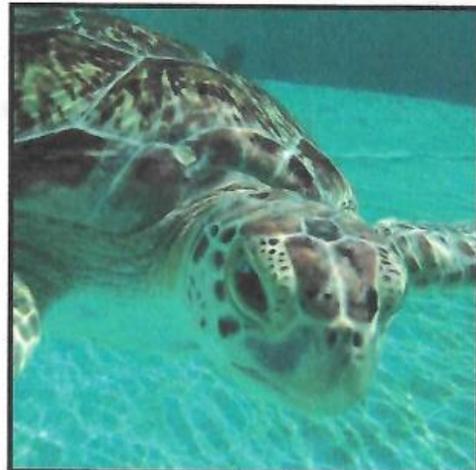

We would like to sincerely thank you for your generous donation of \$646.00 to The Turtle Hospital. Special appreciation to Worthy Grand Matron Terri Hundhausen and her love of sea turtles. As a 501(c) (3) non-profit organization your donation will have a direct impact on the sea turtles rescued and treated at the facility. Your contribution will provide the food, medical and surgical care our current 46 sea turtles desperately need. With your donation, you have helped to save endangered animals which will soon be returned to the ocean to live a life renewed!

It is truly the generosity and compassion of people like you that will carry this hospital into the future and help to preserve the vitality of our oceans by insuring the survival of the sea turtle population. Thank you again for joining us in our efforts! None of this could be done without you.
