

To the Worthy Matron and Secretaries:

Please have this read and/or distributed to all your members in the area. This year we are not having exemplifications by the Grand Officers and there will be no all member learning sessions by the Grand Conductresses. We are offering Educational Sessions for all members to attend.

- NO introductions will be done.
- Grand Lecturer will give explanation of agenda for the day.
- There will be a short talk in the morning on membership and mentoring.
- Breakout sessions last 30-40 minutes each then change to next one (2 offered in morning and 2 in afternoon)
- Lunch in-between morning and afternoon sessions. If the member has attended the sessions they want in the morning there is no need to stay in afternoon.

There are (4) four Educational Sessions planned and there will be a flyer that will be sent out for each one. Members are encouraged to attend as many breakout sessions as they can and attend as many dates as possible that fit their schedules. It is very important that members sign up for the breakout sessions prior to the date(s) so handouts can be ready for their attendance. The dates and locations are as follows:

- August 8th- Kinnickinnic Chapter, River Falls
- October 3rd- Union Grove Chapter, Union Grove
- October 17th- Melody Chapter, Middleton
- January 16th- Fond du lac Chapter, Fond du lac.
